

Thank you for your interest in serving on the Umpqua Community Health Center's Board of Directors. We are looking for dedicated and enthusiastic Board members to help carry out the mission of UCHC. It is people like you that will help us grow and strengthen our organization as we serve our patients with the highest level of care.

The UCHC Board of Directors has a limited number of open positions at any given time, and often may need a skill set for an open position. In the event you are not selected for a Board position, we hope that you'll consider serving as a member on one of our committees.

Please review the history of UCHC, Board information, and complete a Board application.

Thank you again and we look forward to hearing from you!

Sincerely,

The UCHC Board Governance Committee

The History of Umpqua Community Health Center

In 1989, a community task force began meeting to discuss the need for health care for the medically underserved in Douglas County. By 1991, grants had been awarded to secure a site located in downtown Roseburg. In 1992, the "Open Door Clinic", which was staffed by one part-time physician and nurse practitioner, became a reality and saw 1,241 patients. By 1994, we became an OHP (Oregon Health Plan) provider and our patient visits increased to 2,088. By 1995, we were seeing over 4,700 patients!

The demand to serve all in need of comprehensive primary health care, regardless of ability to pay, was evident with the steadily increasing number of patients requesting services; therefore, we applied for a Bureau of Primary Health Care (BPHC) grant. The efforts were rewarded with the granting of funds and the designation of Federally Qualified Health Center (FQHC) status in 1999. The turn of the century was met with moving to a larger Roseburg location, the opening of a satellite clinic in Glide and the opening of a dental clinic in the Roseburg office in 2003. By 2006, we had changed our name to Umpqua Community Health Center (UCHC) and provided 17,934 patient visits! In 2009, we opened a satellite location in Myrtle Creek, then in 2010 opened the new Roseburg clinic, with a Sutherlin clinic following in 2014. UCHC also serves high school students through best practice recognized School Based Health Center. The Health Center is located at Roseburg High School.

Today, UCHC employs more than 150 employees. UCHC services include medical, dental, family planning and reproductive health, behavioral health, health education, and assistance navigating the health care system, among other services. We are supported by local, state, and federal government support, private foundation grants, corporate sponsorships and philanthropic donations. UCHC accepts all health insurances and has a sliding fee scale for self-pay patients.

Board of Directors

The organization is governed by a Board of Directors, which is the principal policy-making body of the health center. Because of our FQHC status designation, the Board of Directors is expected to meet certain federal requirements. One such requirement is that the majority of the clinic's Board of Directors be consumers of the clinic system. This is met by immediate family or themselves being patients of UCHC. This ensures that, collectively, the members of the Board adequately represent the demographics of the patients served.

Application Instructions

The Board of Directors and management team are excited to hear from individuals interested in being considered for appointment to Umpqua Community Health Center's Board of Directors. If you have an interest in serving on the UCHC Board of Directors, we ask that you complete the application form and return it to the Board of Directors, by email to: volunteer@umpquachc.org, by mail c/o Administration, Umpqua Community Health Center, 150 Kenneth Ford Drive, Roseburg, OR 97470, or fax to 541-464-3519.

Statement of Interest:

I agree and understand that by providing this information, I am merely expressing an interest in potential Board membership and that this form is not binding on myself or Umpqua Community Health Center (UCHC) in any way. I understand that, by submitting this form, I am agreeing to be interviewed and considered as an interested board candidate.

I understand that Board members serve voluntarily (non-paid). I understand that a Board term is 3 years and I believe that, at this time, I could make such a commitment. I understand the expectation that Board members will attend at least 80% of all monthly Board meetings (usually held on the fourth Wednesday of every month beginning at 7:00am, meetings are approx. two hours) in a calendar year and participate as a member of at least one standing Board Committee.

I further agree and understand that, if I am presently a patient of UCHC, my potential Board membership publicly identifies me as a patient of UCHC to members of UCHC's current Board and other UCHC staff who may review this form. Thus, any and all other health information regarding my medical care at UCHC remains confidential and protected. I, therefore, accept this disclosure, and do not hold UCHC responsible for this limited disclosure.

Lastly, I have read and will support the mission of Umpqua Community Health Center: "The mission of Umpqua Community Health Center is to serve and assist people who have limited access to health care by caring for the community on a personal level."
