Aviva Health Hosting Free Flu Shot Clinic for North County Residents

ROSEBURG, Ore. – Aviva Health is hosting a free Flu Shot Clinic for North County (Drain, Yoncalla, Elkton) residents Friday, October 23, from 1 p.m. to 4 p.m., and Saturday, October 24, from 10 a.m. to 1 p.m., at its clinic located at 316 West A Avenue, Drain.

According to the Centers for Disease Control (CDC), there are many reasons to get a flu vaccine, and with the COVID-19 pandemic still impacting communities across the globe, it's especially important this year.

Flu vaccine prevents millions of illnesses and flu-related doctor's visits annually and can reduce the risk of flu-associated hospitalization for children, working-age adults, and senior citizens, says the CDC.

For more information on Aviva Health's free North County Flu Shot Clinic, [please download the flyer](#).

ABOUT AVIVA HEALTH

Founded in 1991, Aviva Health is an independent, board-governed, not-for-profit organization that cares for the people of Douglas County by providing high-quality, patient-centered, accessible and affordable medical, dental and behavioral healthcare, regardless of their ability to pay. Aviva Health offers integrated services from eight clinic sites in Roseburg, Myrtle Creek, Sutherlin, Glide and North Douglas County (Drain), including a Teen Health Center located on the campus of Roseburg High School.
